

BITS & BYTES INTEGRATORS PVT. LTD.

India' s Preferred Partner for Digital Kiosks

Delivering seamless digital experiences to empower businesses and their customers everywhere.

- End-To-End Kiosk Solutions
- Custom and Standard Application Development
- Adaptable Manufacturing
- Turnkey Kiosk Management and Support

Multi Function Kiosk

Banks are one of the busiest public access facilities. They require a large worker fleet to be able to provide their services in every part of the country. Banks can reduce costs and increase efficiency and customer satisfaction with the use of our self-operated banking kiosks that enable customers to perform various cash and non-cash transactions like money transfer, printing account statements, cheque book request, bill payments, resolving queries, etc.

MULTI UTILITY KIOSK

- Complete Branch Automation
- 24x7 Customer Service
- User Friendly & Interactive
- Small Foot Print & Effective Space Utilization
- Zero-Hassle Automated Queue Management
- Fast Automation Process
- Easy Integration with Core Banking Systems
- Multilingual Capabilities
- Aesthetic and Sturdy Steel Enclosure
- Sleek Floor Mounted Lobby Model

Technical Specifications
